

You're invited! Open house to be held at new clinic on July 11

As readers of our newsletter know, we recently moved into new quarters at 856 B Armour Road. Our new Clinic would not be a reality without the overwhelming support we have received from the community. The donations of time, talent and treasure have been truly remarkable. We are quite proud of our new facility. On Saturday, July 11 we are inviting all our community supporters to see the new clinic and why we are so proud of it!

The open house is scheduled from 10:00 A.M. – 2:00 P.M. and will feature food, fun and games for the whole family, including an old-fashion ice cream social. Tours of the facility to check out our digs will be available throughout the day.

From 11:00 to 1:00, the band, Alianza, will entertain with their unique fusion of jazz, funk and Cuban songo music. **We hope to see you there!**

The new exam rooms are partially furnished with equipment from Dr. Samuel Graziano's former medical office which he donated to LAFC upon his retirement. Thank you, Dr. Graziano!
